Press Release

**July 17, 2013**

Taylors, South Carolina

Aiken Railway Company, LLC, a wholly owned subsidiary of Western Carolina Railway Service Corporation, will be rebuilding the York Street (US 1) rail-highway grade crossing August 6-9, 2013.

It is anticipated that the York Street crossing will be closed for approximately 72 hours, commencing the morning of August 6 and extending through the morning of August 9. During this brief road closure, motorists should use Rudy Mason Parkway (SC 118) to Beaufort Street to Richland Avenue (US 78) as a detour route around the closure. York Street will remain open to local traffic on each side of the grade crossing between Rudy Mason Parkway and Kershaw Street (to the north) and Richland Avenue and Columbia Avenue (to the south).

Aiken Railway thanks the public in advance for their patience and understanding during this temporary road closure.
